

# ATLANTA FALCONS MOCK MADNESS FANS VS EXPERTS

The Web is filled with mock draft madness. From fans to experts, everyone has an opinion on who teams should target in the upcoming draft, but how much do the two sides agree or disagree? AtlantaFalcons.com wanted to find out. From January 28, 2014 up to the first round of the draft, we kept track of expert projections and fan votes to determine which side wanted which players. As the data we gathered shows, the two sides can't come to a consensus on who the Falcons should select at No. 6 overall in the 2014 NFL Draft.
